The incident

For a protest: When and where did it happen? (e.g. 1/2 way along first upwind leg, pre-start just below pin, etc.)

First weather mark rounding (#12 Little Harding government mark) at end of first beat.

For protests, please describe the incident. For redress or reopening, please state the reasons.

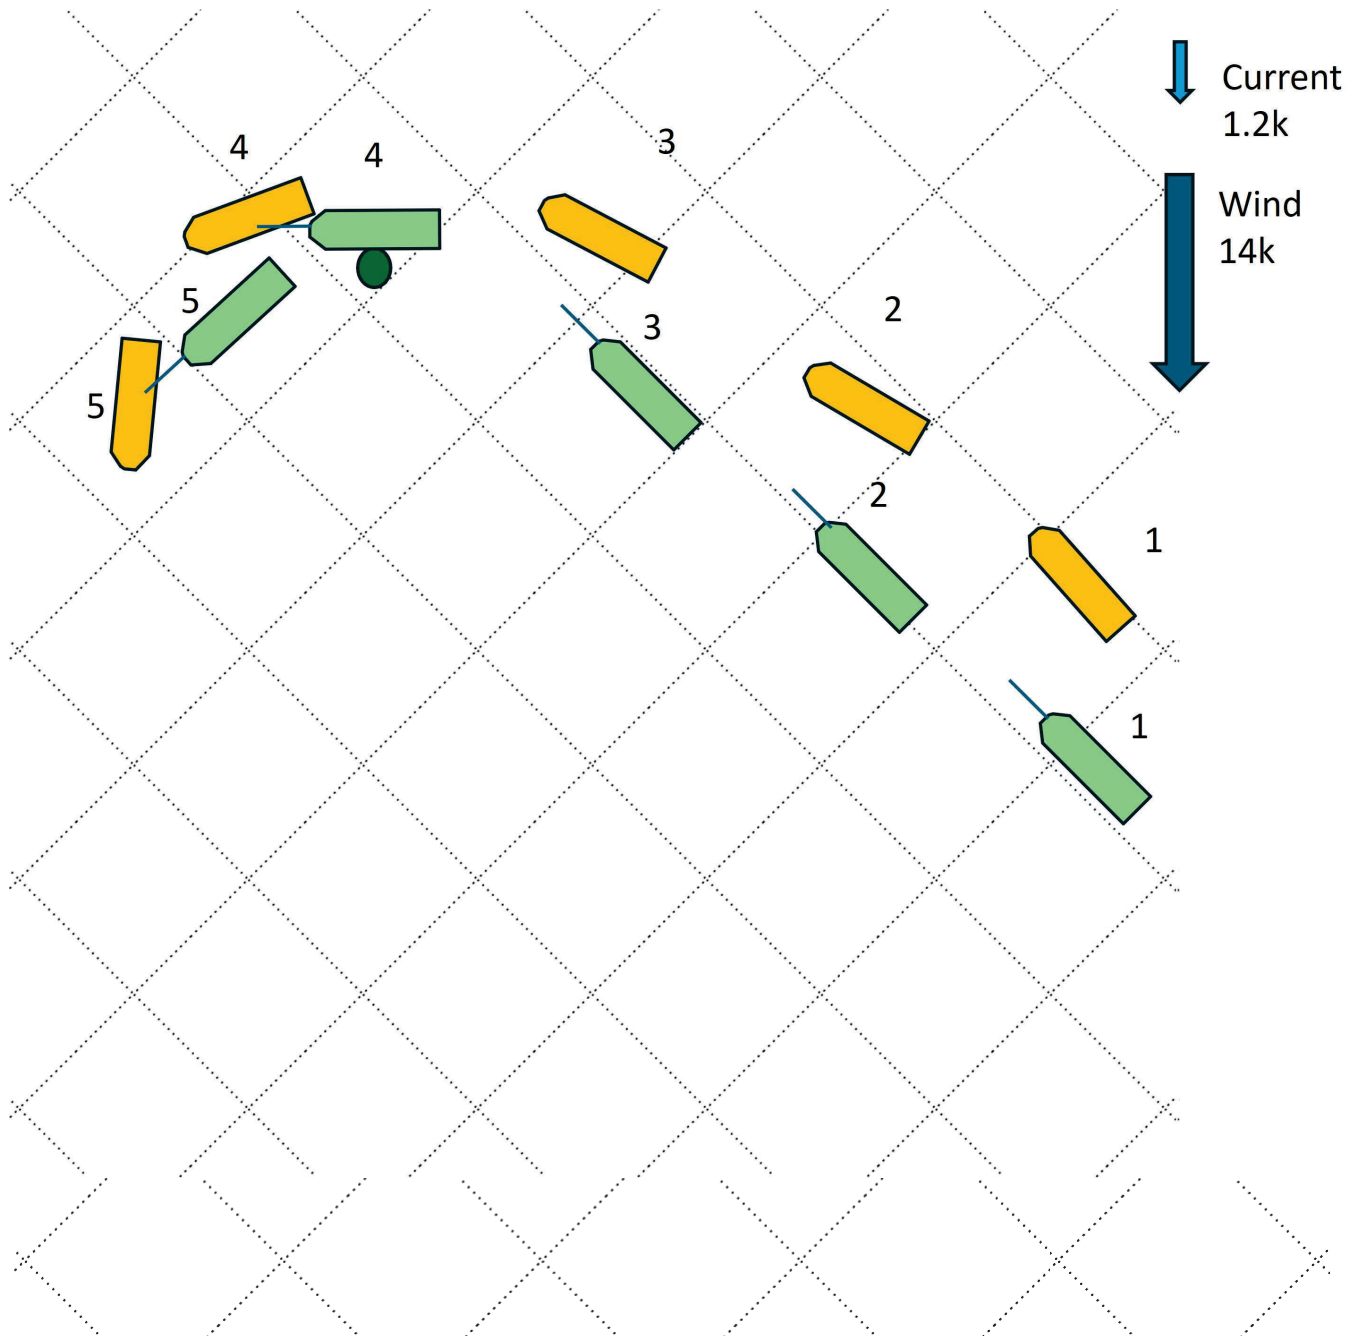

Approaching Little Harding with both boats comfortably fetching the mark on starboard tack despite a mild flood tide, Streaker (J-105) was clearly overlapped to leeward and sailing faster than Sonata (Laser 28). Streaker extended her pole at approximately 4-5 boat lengths in order to extend the tack line and prepare for the hoist. Sonata sailed substantially lower, closing the door and claiming that only Streaker's sprit was overlapped. Streaker luffed up to attempt to avoid the government mark while Sonata turned hard to leeward, presumably to try to cross our bow. Streaker's port side hit Little Harding just abaft the forward end of the cockpit. Streaker's bowsprit went through Sonata's lifelines forward of her pushpit. The boats eventually disentangled and continued the race.
